4. Assurance of Content:

I/We have read this manuscript and I/We hereby affirm that the content of this manuscript or a major portion thereof has not been published in a refereed journal.

5. Copyright Release:

Copyright laws make it necessary for the Society to obtain a release from authors for all materials published. To this end we ask you to grant us all rights, including subsidiary rights, for your article. The Society, in turn, grants to the author(s) the right of re-publication in any book of which he is author or editor, subject only to giving proper credit to the original publication of the article by the Society.

The corresponding author will be given an opportunity to read and correct the edited manuscript as page proofs, but if the author fails to return proofs to the technical editor of the *Proceedings* within the time specified, publication may proceed without the author's approval of the edited manuscript.

The author(s) will receive no monetary return from the Society for the use of material contained in the manuscript.

I/We agree to the foregoing terms:
